DECLARATION OF TAKAHIRO OCHIYA

I declare:

1. I am a co-inventor, along with Takumi Teratani, of the subject matter described and claimed in the above-referenced patent application.
2. I am a co-author on the Teratani *et al.* (*The 2nd Meeting of the Japanese Society for Regenerative Medicine*, 2(Suppl): 92(1451), 2003) publication. Any description of the invention described and claimed in the above-referenced patent application or in any continuation or divisional application thereof in this publication was the joint contribution of the present inventors alone, notwithstanding the inclusion of the additional author, namely Masaaki Terada, who was merely working under the direction of the present

inventors providing technical assistance. This additional author did not contribute to the conception and/or reduction to practice of the invention disclosed and claimed in the above-referenced application or in any continuation or divisional application thereof.

3. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Date: June 24, 2004
